CAPACITY DEVELOPMENT & EMPOWERMENT TEAM

CAPACITY BUILDING WORKSHOP

December 2020

INTRODUCTION

- ❖ **The leadership of CAC Youth Fellowship led by Pst. S. O. Gbuyiro set up the Capacity development and Empowerment committee to conceptualise, manage and execute various initiatives to support the empowerment of CAC youths**
- ❖ **This Initiative is in conjunction with and facilitated by the Lead Transformation Initiative (LTI)**
- ❖ **The Capacity development workshop will be in 2 phases.**
- ❖ **All participants will need to successfully complete the two phases to access the support from CACYOF and LTI.**
- ❖ **The workshops are world-class in scope, delivery and impact and has been highly subsidised by LTI and CACYOF**

Phase I

IDEA SPARK

WORKSHOP OVERVIEW

- Duration: One week
- Mode: In Person - Fully Residential
- Objective: Participants will be exposed to the principle and process of ideation, self discovery, Success principles and Personal development.
- At the end of this Phase, participants will be well equipped to determine their next line of action in terms of entrepreneurship and/or career development.
- The workshop will involve rigorous training sessions, numerous assignments and team deliverables
- Only those who successfully complete this phase will be qualified to move to phase 2 if interested.
- Certificate of completion will be issued to participants.

Phase 2

Agricultural Bootcamp

WORKSHOP OVERVIEW

- Duration: 6 Months
- Mode: In Person - Fully Residential
- Objective: Participants will be exposed to world-class agricultural and leadership transformation training to expose them to current technological trends in agriculture.
- At the end of the training, empowerment schemes are available that can be leveraged for starting up.
- Program includes 3 month class intensive training and 3 months field hand-on exposure.
- The workshop will involve rigorous training sessions, numerous assignments and team deliverables
- Only those who successfully complete this phase will be qualified for seed start-up capital facilitated by CACYOF/LTI.
